-------------	--------------------------	------------------	------------------------	---------------------	--

Note 1: Standalone hardware product is no longer available but can be purchased as part of a NetCloud Solution Package. Last NCOS release date and End of Support date have not been set.

Note 2: Target "Last Release Date" for NetCloud OS that is fully tested for this product. Once this final NCOS version is released, the table above will be updated with the actual release date.

Note 3: MBR1400 Discontinuance includes MBR1400 and MBR1400v2

Note 4: WiMax networks are no longer available.

Note 6: Accessories (cables, antennas, etc.)

Note 7: Part number 170558-000 included 3 antennas. The recommended replacement is only a single antenna, so need to purchase 3 to be equivalent.
